## Elgin ISD Support Services Department

*“Together we support and serve for a better tomorrow.”*

In acknowledge the efforts of the Patriot Act and Homebound Security, Elgin ISD would like to reference the following Texas Education Code law as it applies to Disruption of Transportation:

### **TEC 37.126    DISRUPTION OF TRANSPORTATION**

**(a)    Expect as provided by Section 37.125, a person commits an offense if the person intentionally disrupts, prevents, or interferes with the lawful transportation of children to or from school or an activity sponsored by a school on a vehicle owned or operated by a county or independent school district.**

**(b)    An offense under this section is a Class C misdemeanor.**

We appreciate your understanding of this law and our district’s commitment to the students of Elgin ISD and their safety. The district in no way implies that parents and relatives are not encouraged to assist their students on and off the bus at anytime. We thank you for your cooperation and we look forward to serving you in the upcoming years.

---

## REMINDER TO ELGIN ISD PARENTS

Early student pick up times are necessary to allow 20 minutes before school in order for each student to have an opportunity to eat breakfast before class begins.

## DAY CARE ROUTE

One bus will pick up all students at Elgin Day Care, Tree House, A+ Learning Centers, Morgan's and Mabry Munchkins and then deliver them to the school in the attendance zone they are registered to attend.

## IN-TOWN ROUTES

There will be one in-town route for each attendance zone which will pick up and deliver first to the Elementary and then the same bus will return to pick up and deliver to the Middle School and High School.

## OUT OF TOWN ROUTES

This school year (2008-09), 5 routes will be picking up all grade levels all at once. **Buses # 2, # 4, # 6, # 7 and # 20:** Students will be seated with the Elementary in the front section, Middle School students in the middle section and High School students in the rear section of the bus. All of the other out of town routes will have the first bus picking up and delivery to the Elementary in their attendance zone and a second bus will be coming approximately 10-15 minutes later to pick up and deliver students to the Middle School and High School.

Most buses are equipped with video/audio equipment. **Bus rider discipline will be enforced by school principals.** Bus rules are located in the Student Handbook. **These rules will be followed and enforced.**
