

## ELGIN ISD ANNOUNCES BUS ROUTES FOR 2009-2010 SCHOOL YEAR

*Bus Routes are set up by Attendance Zones.  
Students will only be transported within the School Attendance Zone they are registered in. Transportation will not transport transfer students this school year.*

*Routes are listed by roads served with a TENTATIVE TIME the bus will arrive at first stop.  
Students should be waiting at bus stop TEN (10) MINUTES BEFORE bus is due.  
Parents are reminded that students should stand back from roadway,  
but in an area where the Bus Driver can see them.*

*\*\* All routes are subject to change as necessary. \*\**

# Support Services Department

"Together we support and serve for a better tomorrow."

In acknowledging the efforts of the Patriot Act and Homebound Security, Elgin ISD would like to reference the following Texas Education Code law as it applies to Disruption of Transportation:

### TEC 37.126 DISRUPTION OF TRANSPORTATION

(a) Except as provided by Section 37.125, a person commits an offense if the person intentionally disrupts, prevents, or interferes with the lawful transportation of children to or from school or an activity sponsored by a school on a vehicle owned or operated by a county or independent school district.

(b) An offense under this section is a Class C misdemeanor.

We appreciate your understanding of this law and our district's commitment to the students of Elgin ISD and their safety. The district in no way implies that parents and relatives are not encouraged to assist their students on and off the bus at anytime. We thank you for your cooperation and we look forward to serving you in the upcoming years.

### **\*\* REMINDER TO ELGIN ISD PARENTS \*\***

Early student pick-up times are necessary to allow 20 minutes before school in order for each student to have an opportunity to eat breakfast before class begins.

**DAY CARE ROUTE:** One bus will pick up all students at Elgin Day Care, Morgan's, Tree House, A+ Learning Centers and Mabry Munchkins and then deliver them to the school in the attendance zone they are registered to attend.

**IN-TOWN ROUTES:** There will be one in-town route for each attendance zone, which will pickup and deliver first to the Elementary and then the same bus will return to pickup and deliver to the Middle and High School.

**OUT OF TOWN ROUTES:** This school year (2009-10) – 4 routes will be picking up all grade levels at once – Buses #4, #6, #7 and #36. The students will be seated with the Elementary in the front section, Middle School students in the middle section and High School students in the rear section of the bus.

Most buses are equipped with video/audio equipment. Bus rider discipline will be enforced by school principals. Bus rules are located in the Student Handbook. These rules will be followed and enforced.
