

Free Parent Training at Education Service Center, Region XIII

Parents,

Are you looking for new strategies for dealing with behavior in the classroom or at home? This workshop will offer multiple strands covering classroom management, dealing with difficult behaviors, and parental involvement. Break-out sessions will include classroom structure and organization, motivating the unmotivated, positive communication between home and school and much more.

Saturday November 7, 2009

9:00 am-4:00 pm

Workshop # FA0915864

Parents of Students with Disabilities come FREE!
