

– UPDATE –

February 17, 2021

Dear Elgin ISD Families and Staff:

Due to continued challenges with unrestored power outages (and water outages in some areas) across Central Texas and Bastrop County, **Elgin ISD will remain CLOSED through Friday, February 19.**

We will continue to monitor conditions and communicate any changes as needed, in the best interest and safety of our students and staff.

In the meantime, be safe and stay warm!

Sincerely,

Dr. Jodi Duron  
Elgin ISD Superintendent
