

Dear Elgin ISD Families,

The City of Elgin has lifted the "boil water notice", which will allow our in-person learners to return to campuses tomorrow, February 23. Transportation will resume their regular route schedule. Our remote learners will continue to access their learning remotely and will still be able to take advantage of the curbside meal pick-up option.

We appreciate everyone's patience, as we navigated the challenges presented by last week's storm. We look forward to returning to normal operations tomorrow, February 23, while still adhering to all COVID-19 safety protocols.

As always, we remain #StrongerTogether.

Sincerely,

Dr. Jodi Duron
Elgin ISD Superintendent
